

At Last:

SELECTIONS

A series of interesting, easy books with audio support of interest to older readers!

Featuring:

- ✓ 40 titles with accompanying CDs (including an MP3 track) 10 at each of four levels (White: 5½-6 yr reading level, Red: 6-7 yr reading level, Orange: 7-8 yr reading level, Yellow: 8-9 yr reading level)
- ✓ Content that is of interest to adults (driving, relationships, exams, jobs, drugs and more)
- ✓ Based on the research-proven formula of Rainbow Reading but designed to appeal to students who are teenagers and older
- ✓ The tried and true optional activities of Rainbow Reading (Cloze, Text Sequencing, Word Search, Writing)
- ✓ Two extra activities that are designed to improve students' vocabulary and understanding of how words work... Crossword Puzzle and Code Cracker Puzzle

- Very high interest content that has very low level of difficulty
- Ideal for reluctant and struggling readers
- Perfect for students learning English
- A great complement to Rainbow Reading
- At last; older students who are reading at lower levels have interesting books to read!
