

Totally TOXIC

Toxic fans; we have pleasure in introducing, for your amusement and reading pleasure: **Totally ToXic**; series of twenty books, with CDs (that have MP3 files), specifically aimed at the interests of males (but which will also appeal to females).

Featuring:

- 20 titles with accompanying audio-support read by young men
- Content that is humorous, risqué (pus and other body gunk, farts and other bodily functions, dead bodies [some mummified, others with maggots], filthy flies, vile vultures, killer creatures and sequels to Chocoholic, Inventor Dad and Billy the Bad), informative and Totally ToXic to engage and delight reluctant readers!
- Fiction and non-fiction (in “chapters”)
- Main characters that are predominantly male doing “male things” to engage males
- The tried and true optional activities of Rainbow Reading and ToXic including “Make and Do” activities providing a need to read instructions
- Riveting content (of interest to students aged 8 years and well beyond) with less emphasis on levelling but deemed suited to those with reading levels approx. 7- 11 years
- Ideal for reluctant and struggling readers
- A perfect complement to Rainbow Reading and ToXic
